IN ASSOCIATION WITH
THE GUERNSEY MOTORCYCLE AND CAR CLUB LBG**

Introduction

**Guernsey Rally
SATURDAY 24th FEBRUARY 2018**

We are pleased to announce the first of running of the Guernsey Rally.

This year the event is primarily being sponsored by Resolution IT, with other individual stage sponsors, to whom we are all very grateful for their support.

The event will be running over one day with, two stages run on the Saturday morning/afternoon, two further stages run on Saturday afternoon/evening, each stage will be run a number of times over the day, giving us a total of 16 stages and about 16 stage miles. There is also the Trophy Rally on the Saturday evening for those that retire on the afternoon stages

Scrutineering and Signing -On will take place on the Friday 23rd February 2018 , early evening.

Rally HQ and the service area for the event is at Specsavers. The main social venue will be at The Farmhouse this could also provide a nice weekend break for partners or family. So if you would like to use the farmhouse as your home for the weekend, to avoid disappointment please book your rooms

12. ROUTE / ROAD BOOK / DOCUMENTATION

The event will contain sixteen special stage venues run a maximum of four times each on closed public roads. Cars will start at one minute intervals. The Tulip Road Book will give references to stage starts and stage finishes

Full details of the route and special stages will be given in the road book issued to competitors. This document will contain all the necessary information to enable competitors to comply with R2.3.2 & R2.3.3

Cars will be dispatched on Saturday from MC1 at one minute intervals and all road sections up to the final MC will be run at one minute intervals. This is to ensure maximum use of road closures and is for the benefit of all competitors. Your co-operation in being ready for stage starts and at all other controls will be greatly appreciated.

12.1

The event will contain special stages with a mileage of approximately 16 miles.

These special stages will be timed to an accuracy of a tenth of a second by use of electronic timing apparatus. The start will be signalled by traffic lights which will go from RED (15 seconds to go) through AMBER (5 4 3 2 1) to GREEN at the start time. Electronic beams will be used to determine a jump start (R) 32.2(e) will apply. if this was to fail then we would revert to hand manual clocks set at BBC time and then timed to a second, as described in R25.7 & R25.8 No Verbal 30 second warnings will be given.

Stages will be run on sealed surface roads in the form of closed public roads and private roads. Road mileage will be in the order of ?? miles. Fuel stations will be near to or on road sections in the road book.

Competitors may be regrouped to exclude non-starters or retirees.

12.2

A set of marked maps using the Digimap Guernsey system will define the stage routes. All organiser's distances will be deemed to be correct. These documents will contain all the necessary information to enable competitors to comply with R2.3.2 and R33.1 for the road sections the organisers will

Supplementary Regulations Guernsey Rally 2018

Supplementary Regulations Guernsey Rally 2018

Judges may also be appointed to adjudicate on (R) 24.7

15.3

Any notified offence by a Competitor or by his Service Crew which involves speeding, reckless driving or failing to observe road signs will automatically be considered as a possible contravention of C.1.1.4 (any proceeding or act prejudicial to the interest of the Motor Sports Council or of motor sport generally). The Competitor concerned is liable to be penalised in accordance with (R) 24.8.3 and may be called before a MSA Disciplinary Tribunal.

16. CONTROLS AND TIMING

16.1

To be classified as finishers, crews must report with their cars at all controls within their permitted maximum lateness (Articles 16.11 and 19.3)

16.2

All clocks will be set to British Summer Time, using BBC or Telecom time signals.

16.3

Special Stage timing will be by digital clocks. Each Special Stage will have a Bogey Time indicated in the Road Book and on the Time Cards.

16.4

Timing will be to a TENTH of a second and controlled by the Target Timing Regulations inclusive using digital clocks operated by Officials under the control of an appointed Timekeeper.

16.5

Competitors will be allowed 3 minutes between stage arrival and the start after which they must be ready to start a Special Stage when required to do so by the Start Marshal.

16.6

Control and Stage Signs will conform to (R29)

16.7

It is the Competitor's responsibility to ensure that his times are correctly recorded and handed in when and where instructed.

16.8

The rally will consist of Road Sections and Special Stages.

16.9

All controls other than Passage Controls (PC's) and Route Checks (RC's) will be Time Controls (TC's). Each Road Section will be allotted a Target Time based on approximately 20mph average or less, and a Competitor can calculate his Due Time of arrival at any T.C. by adding this Target Time to his actual time of departure from the preceding T.C.

16.10

All Special Stages will have a bogey Time set at 75mph and a Target Time of 20mph. Competitors will receive penalties on Special Stages as follows:

- Under bogey Bogey Time
- Over bogey under Target Actual Time Taken
- Over Target Target Time

Time in excess of Target Time on a Special Stage will count towards the competitor's Cumulative Lateness.

16.11

Lateness in excess of Target Time on Road Sections and Special Stages is cumulative. Once his/her Cumulative Lateness, calculated from the previous Main Control, exceeds the penalty free maximum of 15 minutes a Competitor will be excluded from the results (Article 19.3).

16.12

Should any recorded time not be legible, or not appear authentic, the Organisers may use any means at their disposal to establish a time.

16.13

The following titles shall describe the various types of Time Controls:

(a) Main Control (MC)

The MC at the start and MC's after any Rest Halt, or at any other specified point will be designated as MC (OUT).

The MC at the finish of the Rally, and MC's before any Rest Halt, or at any other specified point, will be designated as MC (IN). A competitor who is early at an MC (IN) may wait for his Due Time outside the Control.

At an MC (OUT) after a Rest Halt, Competitors will restart at designated intervals either in number order or in order of their arrival at the MC (IN), or as may be specified in an Official bulletin.

Each Competitor shall be given a due starting time from any MC (OUT) the difference between this time and his actual starting time will be counted towards exclusion for cumulative lateness. Also a time penalty will be applied

Competitors arriving at any MC (IN) within their maximum permitted lateness will, subject to Article 16.13(a) above, restart from any MC (OUT) with Zero lateness, i.e. lateness is accumulated only between two successive MC's.

(b) Special Stage Arrival Control (SSA)

At this control the competitor will be given their time of arrival and will have a minimum of 3 minutes after the arrival time in order to allow the crew to prepare for the stage. The area between the SSA Control and the SSS is Park Ferme.

(c) Special Stage Start Control (SSS)

At the SSS a Competitor will be given a Start Time for the Stage in hours and minutes, and

Supplementary Regulations Guernsey Rally 2018

seconds. Failure to be ready after time allowed will be penalised in accordance with (R) 32.2

(d) Any crew refusing to start will be penalised as (R) 25.8.2 The start will be signalled by traffic lights which will go from RED (15 seconds to go) through AMBER (5 4 3 2 1) to GREEN at the start time. Electronic beams will be used to determine a jump start. No Verbal 30 second warnings will be given.

(d) Special Stage Finish Control (SSF)

At the SSF a Competitor will be given his Finish Time in hours, minutes, seconds and 10ths. This time in hours and minutes constitutes Start Time for the following Road Section.

Any Competitor who fails to stop at the Stop line must return to the SSF on foot, reversing the car is prohibited, subject to a penalty of exclusion (R) 32.2(p)

(e) Service Control (SV)

All Service Areas will have IN and OUT Time Controls. At Service Areas not designated as MC's a Target Time will be specified between these controls. The Section between SV (IN) and SV (OUT) will be marked as a Road Section.

(f) Passage Control (PC)

At any point indicated in the Road Book, the Organisers may establish a PC in order to collect Time Cards from Competitors or for other purposes. A Competitor failing to provide the necessary documents at any PC will be deemed not to have reported there and will be excluded, Article 16.1 & 16.7).

Any times recorded at a PC will be used only to ensure that Competitors have followed the requirements of the Road Book, and not to calculate Cumulative Lateness.

All Controls will open 15 minutes before the Due Time of Car "0" and close 16 minutes after the Due Time of the last Competitor still running where, having taken into account any delays. Regrouping controls will/may be established along the route, and will be subject to the rules governing Time Controls. The purpose of these regroupings will be to reduce intervals, which may occur as a result of late arrivals or retirements. The time of restarting from the regrouping control will not be determined by the duration of the halt, and therefore the first car will restart at the scheduled time and other cars at one minute, or 30-second intervals according to the basis of the road timing for that leg of the event. Crews will receive instructions as to their restarting times on arrival at the regrouping control. They must immediately park their cars as instructed in the parking area where Parc Ferme regulations will apply (Article 18.5). Crews must remain with their cars in this area.

17. PRECAUTIONARY/PACE ROUTE NOTES

Precautionary/Pace/Subjective (R) 24.12 notes may be used for the routes as laid down. Precautionary/Pace notes will be available from Patterson Notes 2 weeks before the start date. Only notes supplied by Patterson's are acceptable for use. Personal notes are strictly forbidden. This does not however preclude competitors from making notations thereon to suit each competitive crews own styles. All notes NOT supplied by Patterson's, photocopied or notes copied in any way will incur penalties. In all instances competitors are advised that the organisers accept no liability or responsibility in the use of the Precautionary/Pace notes.

Supplementary Regulations Guernsey Rally 2018

17.1

Practising is forbidden. If a competitor is found practising on the stages as published, or any road that may be used for this event, they will be excluded from the event (Article 19.4)

17.2

Receeing is forbidden (It is requested that local Driver's / Navigators refrain from receeing on this date) and during the hours of dusk till dawn at any time in 2018. Any vehicle used, must be as the manufacture supplied, no vehicle will have **ANY** type of safety device fitted I.E. Roll cage, Racing seats, Voice headsets Safety guards to the underside of the vehicle. All competitors **MUST** obey all Guernsey road traffic laws and speed limits, failure to obey the laws of Guernsey will incur a penalty. (Article 19.4)

18. SERVICING

Servicing is defined as in R38.1.1 Persons travelling in a Service Vehicle are "Service Crew".

18.1

Refuelling will be allowed in service areas subject to the terms and conditions outlined in Annex Q of the MSA Rally Future document under the heading "Self-Refuel".

18.2

Barbeques and open fires are banned in Service Areas (Article 19.4).

18.3

There will be One Service Area throughout the rally. All personnel must be off the premises by 23.00 on each day of the event, failure to comply with this instruction will be penalised with exclusion.

These will only be accessible to Competitors and Service Vehicles bearing Official Plates. No other areas may be used by Service Vehicles, which are required to follow a prescribed route to the Service Areas. All other areas will be Out of Bounds to Service Crews and Vehicles.

18.4

Competitors may work unassisted on their own cars in "Non Service Areas"

except: Within 100 metres of any Control

Between Special Stage Arrival and Special Stage Start controls, and in any Parc-Ferme.

The only work permitted in these areas is, with the permission of an event Official, to carry out the following unassisted:

markings and vehicle registration number

18.5

Servicing in designated Service Areas **must be** carried out on **ground sheets** and in addition at RJA & HS Service Area ensuring that **support by wood or other material suitable to spread the weight under jacks and stands is used. Please take care with the environmental impact of our use of the service area and ensure that all waste is swept up into bins. Spill kits are to be used where**

necessary and disposed of in the designated bins in the Service Area.

18.6

Service Crews are subject to the same regulations as competitors regarding noise, bad driving manners, etc. Officials and Marshals have been instructed to note any infringements of these rules (Article 15).

18.7

Competitors are responsible for ensuring that their Service Crews understand and comply with these regulations and that their Service Vehicles bear an Official Plate showing the competitor's rally number, this plate must be fixed to the front of each Service Vehicle and clearly visible at all times.

18.8

A Competitor receiving assistance contrary to these SR's will be penalised in accordance with R38.1.2. Any Competitor whose Service Vehicle is observed in an Out of Bounds area will be penalised by exclusion (Article 19.4).

18.9

The use of "**chase cars**" or "**management vehicles**" is prohibited due to the nature of the Island roads and the P.R. sensitivity of the event. Any crew who is observed to have, in the eyes of the Organisers and their Judges of Fact, to have operated such a vehicle, whether or not assistance is actually received from such a vehicle will be excluded as if outside assistance had been provided as in article 18.8

19. PENALTIES

Competitors will start with zero penalties. Classification for the results will be determined by the total time penalties. The winner being the Competitor with the least total time penalty (Article 16).

19.1

In the event of a tie the winner will be the competitor who has completed the greatest distance from the Start with the least Stage Penalties.

19.2

The penalties in R32.2 apply as written unless specifically modified in these SR's.

19.3

Contravention of the following carry a penalty of exclusion: SR Article 8.3, 13.2, 13.3, 13.4, 13.5, *14.1, 16.1, 16.11, 16.13(d), 17.1, 17.2, 18.2, 18.6, 18.8, 18.9, 19.7, 19.8.

(b) This will be measured in accordance with a test, specification details in the MSA General Regulations. It is at the discretion of a Judge, Noise Test Official or Driving Standards Observer, or of the Organisers, whether a car which causes excessive noise is refused permission to proceed at any time.

(c) A Driving Standards Observers decision on imposing a penalty for excess speed or bringing the sport into disrepute shall also be reported to the Stewards of the meeting.

19.6

Competitors are reminded of the details of computation of penalties in the event that the normal running of a stage should be stopped. Should any Special Stage be cancelled during the event or deleted from the results after the event, only the Stage penalties will be deleted. Unless an Official Bulletin has been issued to the Contrary, the cancelled stage must be traversed within Target Time, and will in every other respect be treated as a Road Section.

19.7

Causing an obstruction on an access road to or from a Special stage will be penalised by exclusion (Article 19.3).

19.8

Failure to attend Post-Event Scrutiny for those Competitors selected, within the time limit specified, will result in exclusion (Article 19.3).
